The 2-Minute "Institutional Asset" Audit

Is your agency building a system — or just renting skills?

CALCULATE YOUR PRACTICE DRIFT SCORE

This Self-Diagnostic tool is not just a checklist — it is a Gap Analysis designed to reveal exactly where "Practice Drift" is draining your agency's budget and burning out your best people. Finish the audit and think: "I need to fix this immediately."

THE 5-QUESTION AUDIT

Answer YES or NO to each question

Q 1

The "Walk-Out" Test

If your most experienced practitioner quit tomorrow, would their high-level outcomes and methodology stay behind in a documented system — or would that asset walk out the door with them?

- ☐ ✓ Yes — It stays in the system
- ☐ ✗ No — It leaves with them

Q 2

The "90% Fidelity" Benchmark

Can you pull a report right now that proves at least 80% of your staff is practising with 90% fidelity to your chosen evidence-based model?

- ☐ ✓ Yes — I have the data
- ☐ ✗ No — I'm guessing

Q 3

The "New Hire" Tax

Can a new hire be fully onboarded and hitting mastery benchmarks using only your in-house systems — without paying for an external consultant or workshop?

- ☐ ✓ Yes — We own the training
- ☐ ✗ No — We pay for rentals

Q 4

The "Circle of Support" Ratio

In a typical case, is the community/family (The Circle) doing more of the heavy lifting than your staff member?

- ☐ ✓ Yes — Staff are architects
- ☐ ✗ No — Staff are laborers

Q 5

The "Crisis Pulse"

Is your leadership team spending less than 10% of their week putting out fires related to practitioner error or a lack of clear blueprints?

- ☐ ✓ Yes — The system handles it
- ☐ ✗ No — I am the system

TIER 2 · 2–3 YES ANSWERS

The Leaking Bucket

You have good people, but "Practice Drift" is draining your budget and burning out your leads. You are renting mastery instead of owning it.

TIER 3 · 0–1 YES ANSWERS

The Crisis Cycle

Your agency is entirely dependent on individual heroics rather than a repeatable system. You are paying a heavy "Retention Tax" every single month.
