

Human Services Associate Credentialing & Mentorship Program

 **Certified Evidence-Based Associate (CEBA) Masterclass & Credentialing:** *The fastest path to a purpose-driven career in human services*

Who It's For:

- Individuals who want more than a trade
- Re-entry candidates seeking meaningful work
- Workforce and Funding entities building service-sector pipelines

What They Get:

- Evidence-based practice and MI skills training for building trust and guiding change
- CEBA Certification to boost career readiness
- Mentorship from industry professionals
- Career toolkit: resume, interview prep, placement support
- Efficient flexible online education: live + on-demand
- Group pricing for teams and funding entities

Why It Works:

- Fast transformation (4 weeks)
- High completion and confidence
- Culturally responsive and credentialed
- Aligned with funding and workforce development goals

How It Works

Week	Focus	Outcome
• 1	EBA On-boarding	Mentor Intro, Initiate Curriculum
• 2	Continue Curriculum	Self-Care, EBP, MI, Trauma Informed Intervention
• 3	Career Readiness	Peer Coaching, Skills Practice, Confidence Building, Resume, Interview, Placement Prep
• 4	Certification & Launch	Earn CEBA Credential + Mentorship Support

What Graduates Say

- "An eye-opening program where I learned so much I did not know. So many opportunities and options in Human Services!" M. Bischoff
- "I was very scattered without any real direction in the beginning. After going through the course, it helped me to focus on wanting to work with children." T. Lopez
- "I didn't want a trade. I want to help. CEBA gave me the skills, the mentor, and the confidence to do it." CEBA Graduate
- "I am so pleased to inform you that since receiving the certification my client got a full-time position as a Direct Support Specialist. She now works for an addiction treatment center for women, and she LOVES it!!!! Thank you!!!" M. Klein, Career Coach
- "I did not know there were so many opportunities in Human Services. It's rewarding that I will be able to help others and help myself." A. Tuttle
- "I especially liked the self-care module of the workshop. I realized I would like to go into Art Therapy. D. Malone
